MEMORANDUM FOR THE RECORD

SUBJECT: Representatives Dante B. Fascell (D., Fla.), John C. Culver (D., Iowa), and F. Bradford Morse (R., Mass.)

1. I think the attached cable points out once again that Representative Dante B. Fascell (D., Fla.) is a good friend of the Agency. Perhaps this is the payoff of congressional relations (see paragraph 5).

25X1C

2. Further, it is interesting that Representative F. Bradford Morse (R., Mass.) is at least sympathetic to the problem of our using [redacted] (see paragraph 6).

25X1A

3. Per paragraph 3, Representative John C. Culver (D., Iowa) may continue to try to cultivate individual sources of information within the Agency, with his recent request for a meeting with an Agency official [redacted] being an example of what we might expect in connection with future traveling.
